

**DON'T
FLUSH
THIS
BOOK
MARK!**

**The only things
that should go
in the toilet are
pee, poop, and
toilet paper.
That's it!**

THE 3Ps

**Pee, Poop,
and (toilet)
Paper**

That's it. Really, that's it. Don't flush anything else down the toilet. The pipes in your home and our larger wastewater system are designed to handle only those items.

Stick to the three
P's.
